It's a big software package. I know. And the update was troublesome too. I have the 64-bit version 3DS Max Design 2010, and I tried the 32-bit version as well. City News City News On Monday, June 12, Representatives from the City of Albuquerque, the United States Attorney's Office, and the New Mexico Attorney General's Office met at an in-person briefing on the Albuquerque Police Department's (APD) "Quality of Life" policies and enforcement tactics—or lack thereof. The goal of the meeting was to get an update on the progress of the reform efforts. City News Since the beginning of this year, APD has made significant changes to its use-of-force policy, made changes to its "Quality of Life" policy, changed the way it investigates complaints of police misconduct, and changed the way it responds to 911 calls. APD is in the midst of implementing another set of reforms. The report that we just released outlines those reforms and their expected time frame. New Mexico Government News New Mexico Government After a unanimous vote by the New Mexico State Senate this week, the Public Regulation Commission will once again have an online registration feature. So far, the changes are primarily technical and do not alter the rules for people seeking to register to vote. City News On Monday, State Senator Mike McCaskill (D-NM) reintroduced legislation that would impose new mandatory federal oversight of the New Mexico Police Department. Senate Bill 174, which has been

reintroduced twice since 2012, is part of the larger national movement to reform police departments nationwide. Virus-associated male infertility--hepatitis C epidemic among
