Mar 11, 2012 On Interlude / C3/C4 server i cant add custom item because server give me an error. Help me!!! In Interlude server use File Edit C6 now (2013). Sep 23, 2012 im trying to use l2 edit c4 and c6 i get errors after i delete some stuff in l2.ini file and when im trying to make a server in l2.ini file i get an error. Oct 21, 2014 Hello, i was thinking maybe i can request some one to share file edit c6 / L2 J server Interlude / Freya / H5 etc. The file "l2_edit.c6" is a text file and isnt able to be found. i use l2 edit c5. Aug 25, 2015 I have used File Edit C6. I have found out that this one has not been updated to support interlude version. Also with the newer versions that come out it dosent run and i get the error "Build Error: Error in build.flag" and my l2 server isnt working anymore. i just made an interlude server. Oct 25, 2017 Hey all, just wanted to say that i recently tried to use File Edit C6, and well it got some bugs in it, the server wont start, and it just shows this as a output on the server window: "11:55:19 INFO: Disconnected. Reason: timed out" Oct 25, 2017 Не знаю, но я собираюсь сделать сервер и ловить людей, которые отправляют в него такие штуки. В качестве префаба я подключал два танковых добра. Сейчас пытаюсь сделать танк
