If you have pre-ordering the Nintendo Switch Lite (or are a Switch Plus or Elite owner), Nintendo will be including a couple extra games with your purchase. Nintendo has announced that Super Mario Odyssey will be included in all of the Nintendo Switch Lite bundles. Loading Super Mario Maker will also be included in Nintendo's Switch Lite bundles for free. Only the Zelda: Breath of the Wild, Mario Tennis Aces and Fire Emblem Warriors will be included in the Nintendo Switch Lite bundles. The games and their prices haven't been announced, but we know they'll all be the Switch's current games (or new games with ports to the Switch) rather than old games. Nintendo is also introducing Nintendo Switch Lite bundles for the Nintendo Switch, which will be available in a bunch of configurations. The most common Switch Lite bundle will include just the white model and sell for \$180. But there will also be bundles with the Nintendo Switch Lite. It'll be interesting to see what games Nintendo is releasing for the new Nintendo Switch Lite. The Switch Lite model will not be backwards compatible with Switch games, so all of the games that are on the New Nintendo 3DS will not be playable on the Nintendo Switch Lite. If you pre-order a Nintendo Switch Lite you'll get a download code for Mario Tennis Aces with your purchase. In other Nintendo news, you'll be able to download Super Mario Odyssey for free as part of the pre-order period for the Nintendo Switch Lite. Lucy O'Brien is Entertainment Editor at IGN AU.
