Contact us A: You can also try the alternate tool for you : Photo Manager Photo
Manager is designed to be a lightweight photo manager, it will help you to find the
pictures you want faster and easier. It will also help you to protect your pictures
from scratches, deleted and corrupt files. You can now use your favorite image
organizer, media organizer or media player to easily search, display, organize,
delete and edit your digital pictures in the folder of your choice. Your digital
pictures are always organized in the folder, view them and delete the ones you don't
need. You can also rename the files, delete them if needed, add keywords and location
of the pictures. You can download Photo Manager from here. *Criccolepis* *Criccolepis* is
