Anyway, I'm playing the original on my pc and it's working great. I've been trying to get a good pack for pc and PS4, but the PS4 is just here. Oct 26, 2018 Alternatively, just download the 1.1.1.3 update using Fable 3's Update manager.. Fortunately, if it's a save game file that you downloaded in the past, Fable 3 will allow you to open and . Nov 6, 2014 Hi guys, I'm trying to find the Fable 3 GFWL v1.1.1.3 Patch File for pc. I have no idea where that is or how I can fix it. I'm having so many problems with the new build. I just want to play the game without bugging my . I can't find the 1.1.1.3 "out of box" update patch file for fable 3. . There was a recent update, but I didn't see where in the fable 3 archives it was put. . Sep 28, 2017 I've installed the GOTY version of Fable III to no avail. Could someone help me out with that, as the folder was deleted and so was the FAQ, and the language pack, and the game is fairly buggy at this point?. Looking for the Fable 3 GFWL v1.1.1.3 Patch File for pc. Aug 5, 2018 I installed the fresh version of Fable 3 on my pc and i need to use gfw 3.0.1.1 patch to play the DLC. However when i open the game that's before gfw, i won't be able to play the game unless i update my GFW to v3.0.1.1. However, if i install the GFW v3.0.1.1, when i run the game, my game will freeze up and i'll see a black screen. I know i can just use the GFW off the osp, but i really want to have it work on my pc, which it can't. . A: You can download the GFWL v1.1.1.3 patch file yourself here. You won't need the Fable III GOTY however. PS. Any items that you download from a site you can find in your Fable III main folder, usually named "my games 82138339de
