I've seen a german version, but in this version is only support RTL representation of wiring (unlike the esc + open). I'm trying to find "ESC Tronic" v1.0. Can someone tell me if there is 2017 with esi tronic 1.0? Namely I read somewhere that on my KTS650 is possible update until 03-2017 but. Nov 1, 2015 A'very', 'light' version would be great. I'm very new to wiring plan software, and your version is one of the only ones I haven't been able to understand at all. Nov 1, 2015 A'very', 'light' version would be great.
