Kita - tokyo ghoul jail english patch HACK Wondershare Dr.Fone v10.3.0.23 Final Crack.Q: How to find which products in the shopping cart belongs to a certain user I need to find which products in the shopping cart belongs to a certain user. I have the following query which is given below SELECT \* FROM `product\_product\_concat\_index` WHERE `product\_id\_product`=? However, I am not able to find out what to put in place of?. I am currently using mysql\_real\_escape\_string but I have read that this is not very good since it can not escape special characters very well. Is there a better way to do this? Thanks for you help A: SELECT \* FROM `product\_product\_concat\_index` WHERE `product\_id\_product` = product\_id AND product\_id =? This will give you a row for every product in the cart for every user. 570a42141b
